Interim Directors' Statement

Since the publication on 21 June 2011 of the condensed interim financial information for the six months ended 30 April 2011, the board of directors of Island Hotels Group Holdings plc announced, on 7 September 2011, a 50% investment in Buttigieg Holdings Ltd. Other than that no material events and/or transactions have taken place that would have an impact on the financial position of the Company, such that they would require specific mention, disclosure or announcement pursuant to the applicable Listing Rules.

The overall performance in the third quarter has been satisfactory, despite the volatile nature of the tourism industry and the competitive environment in which the Group operates. The Directors expect that the Group's aggregate results for the financial year will be similar to those registered last year.
